

10. Change in Approved Mode of Study

Where a student wishes to request a change in mode of study between full and part-time, he/she can apply to the relevant Faculty Head of Research Students or equivalent role (or nominee), with detailed reasons. Such applications should be made using the appropriate form on myResearch and with the authority of the first supervisor (or nominee).

Should the change be approved the Graduate School will ensure that relevant departments within the University are informed so that adjustment can be made to fees, where relevant.

No change of mode shall be considered following the commencement of the fee free completion period. This is to ensure that University statistics more accurately reflect the mode under which the work was carried out. There is no negative implication for the student with respect to fees.

11. Variations from the Standard Research Programme

The following variations from the standard research programme are permissible provided that the approval of the Research Degrees Committee Faculty Review Panel, see Procedure 7, is obtained **at first project review**.

11.1 Exhibition, Performance, Creative Writing or Similar Work

A student may undertake a programme of research in which the student's exhibition, performance, creative writing or other similar work, forms as a point of origin or reference, a significant part of the intellectual enquiry. Such work may be in any field but **must have been undertaken as part of the registered research programme**. In such cases, the presentation or submission of work relating to exhibition, performance or other creative writing or similar work must be supported by documentation in the form of a thesis which sets the work in its relevant theoretical, historical, critical and/or design context. The thesis must itself conform to the usual scholarly requirements and be of the correct length as defined in Regulation 15.

The final electronic copy of the submission must be accompanied by some permanent record (for instance, computer disk, video, photographic record, musical score, choreographic notation, diagrammatic representation) of the exhibition, performance or other creative work where practicable, this shall be submitted at the same time and bound with the thesis. The electronic version must include this record.

The application for first project review must set out the form of the student's intended submission and of the proposed methods of assessment.
