Buy a Mug for Life and Receive 5 Free Hot Drinks

Did you know that in the UK, we use around seven million disposable coffee cups every day, which equates to 2.5 billion a year? Switching to a reusable coffee cup is a great way to help fight the battle against single-use waste. Although it may seem small, a simple switch from single use to reusable cups could have a huge impact on waste. That is why we are excited to introduce our latest

MUG FOR LIFE

promotion. If you purchase one of our reusable mugs for life you will receive

5 FREE HOT DRINKS

Changing old habits will be good for both the environment and your wallet!

NEW Afternoon Pizza Deals in the Food Village

Our afternoon food offer just got better! Who doesn't like a good pizza?

Every afternoon, Monday-Friday between 3.30pm-6.30pm why not enjoy our 'deal of the day'..... helping make life and dinner taste even better! It really doesn't get much better than that!

Riverside Cafe Events

Riverside Cafe offers the perfect combination of modern menu with strong focus on vegetarian and vegan cuisine, expertly crafted coffee, great views of the River Soar and contemporary design. Since its opening in 2017 it has become a popular spot for not only DMU students and staff but also for the general public. Contributing to its popularity are the live music events organised every month. Following last year's success, we are bringing back **PLAY FOR PIZZA**, an Open Mic night where every performer gets pizza on us! Make sure you put these dates in your diary.

You said, we did...

"We want to see a larger variety of different cuisines on offer in the Food Village"

Introducing the Chartwells Team at DMU

Claire Faulkes - Subway Supervisor

Q: When did you join Chartwells?

C: I joined the Subway team 3 years ago in 2016, when we opened the Subway store in Campus Centre Building at DMU. But I worked for Compass Group before at BHS, so altogether I've worked for the company for 10 years now.

Q: What do you like most about your job?

C: I like interacting with students and meeting new people. We have a great team here at Subway, and I am happy to be a part of it. I always get excited when we have new products coming out.

Q: What is your favourite dish currently on the Food Village menu?

E: I might sound very boring now but I love jacket potatoes topped up with tasty baked beans. I am also a big fan of Food Village breakfast. It is definitely a must try!
