

## Emergency Safety Protocol

# WHAT TO DO WHEN YOU RECEIVE AN **MOI** ALERT ON CAMPUS

De Montfort University Dubai — Building 12

**IF YOU RECEIVE AN MOI ALERT ON YOUR PHONE FOLLOW THESE STEPS IMMEDIATELY.**

## MOVE AWAY FROM OPEN AREAS

### 1. LEAVE GLASS FACADES

Step away from open spaces and external glass facades. If your desk faces a window, move immediately.

### 2. MOVE TO INTERIOR CORRIDORS

Proceed to the corridor near the staircase. Remain there until guidance from the Health & Safety team.

## FOLLOW INSTRUCTIONS

### 1. LISTEN FOR SIRENS & ANNOUNCEMENTS

Pay attention to university speakers and instructions from the campus security team.

### 2. AVOID ELEVATORS & USE STAIRCASES

Use the staircase to move safely towards the basement shelter area.

### 4. DON'T DELAY FOR BELONGINGS

Use the staircase to move safely towards the basement shelter area. Leave personal items behind and evacuate promptly without unnecessary delay.

### 3. ASSIST OTHERS AROUND YOU

Pay attention to university speakers and instructions from the campus security team. Offer help to those who may need assistance, including visitors and individuals with limited mobility.

## PROCEED TO DESIGNATED SHELTERS

### PRIMARY SHELTER

#### BUILDING 12 — BASEMENT

Interconnected with adjacent basements. No exposure to open areas. Occupancy monitored.

### SECONDARY SHELTER

#### INNOVATION HUB — B1 & B2

~5 min covered walk via rear pathway. Two underground levels. Enhanced protection.

## WHAT TO DO IF DEBRIS FALLS?

Stay calm, move away from the area and head to the designated shelter as instructed by campus security

Do not approach, touch or move any debris. Debris may contain explosive or hazardous materials

Do not gather at the scene or cause congestion. Inform the relevant person on site.

Avoid photographing the impact site or posting images on social media.

## BASEMENT FACILITIES SUPPLIES

Emergency lighting & backup power

Drinking water & food

First aid & medical kits

Communication equipment

Fire extinguishers & flashlights

Sanitation & hygiene supplies

## PRIORITY ACCESS

Individuals with mobility limitations

Injured persons

Pregnant individuals

Visitors unfamiliar with campus

## WAIT FOR THE ALL - CLEAR

### 1. REMAIN IN PLACE

Stay in the shelter until official all-clear via MOI notification or university announcement.

### 2. RESUME NORMAL ACTIVITY

Once cleared by authorities, resume campus activities calmly. Check on those around you.

### Communication reminder

- Only authorised officials may release emergency info.
- Do not share unverified reports on social media.

- Rely on official channels SMS, email, university app, and security.
- The university coordinates with Dubai Civil Defence.
