- 4.2 The University will not give any student a Licence to occupy a Room and to use the Common Areas as a Licensee if any part of the Licence Fee and the Damage Deposit or any debt due to the University from a previous Residential Year is still outstanding.
- 4.3 This Licence does not refer to a specific Hall of Residence or Room. The University reserves the right to transfer a Licensee's occupation to a different Hall of Residence and/or Room on reasonable written notice (what constitutes a reasonable notice period in the circumstances being in the University's reasonable discretion) by way of non-exhaustive examples, in circumstances where in the reasonable opinion of the University the Room and/or Common Areas are not fit for purpose and/or it is appropriate in order to protect the interests of staff and/or other residents or in such circumstances (other than circumstances relating to discipline which are provided for below at clause 4.4) as the University may reasonably deem appropriate.
- 4.4 Without prejudice to clause 5 the University has an absolute right to request the Licensee to move to another Room and/or Hall of Residence. If the Licensee refuses to move to another Room the University reserves the right to apply for a Court Order to evict the Licensee.
- 4.5 In exceptional circumstances and subject to the charges set out in this Licence, a Licensee may, with the University's consent, change Rooms or Hall of Residence during the Residential Year. The University will consider requests on their merits, in light of the availability of alternative Rooms and the practical and financial implications for the University of granting such consent. The Licensee will be subject to the transfer fee in accordance with clause 8.6.²
- 4.6 While the Licensee occupies the Room as a single, private study room, he/she may not allow visitors to stay overnight.
- 4.7 The University reserves the right:
- 4.7.1 for authorised personnel to enter the Room on reasonable notice to inspect its condition, to clean the Room on a regular basis (if applicable), to serve a notice to vacate the Room in accordance with the University's rights under this Licence and for other appropriate purposes which in the reasonable opinion of the university require entry to the Room;

² No application to move room will be considered in the first 4 weeks of the Residential Year unless the University deem there to be a health and safety risk or an emergency

- 4.7.2 for authorised personnel to enter the Room to carry out such repair works as the University thinks necessary or has been requested by the residents;
- 4.7.3 for authorised personnel to enter the Room immediately on Health and Safety or Security grounds; and
- 4.7.4 to prohibit visitors at any time if necessary in the interest of security and/or the health and safety of other residents and/or staff and for such other purposes as the University reasonably decides requires the prohibition of visitors.

The University may in its absolute discretion without notice enter and search the Room in circumstances where the University reasonably suspects that the Licensee and/or any other person is/are engaging in conduct which presents a risk to health and/or safety and/or may amount to a criminal offence and shall be entitled to confiscate any article which in the University's reasonable opinion presents a risk to the health and safety of the Licensee and/or other residents and/or staff of the University and should not be in the Room. The article will then either be handed over to the police or if not a police matter shall be retained by the University, at the Licensee's expense, until collected by the Licensee and removed from University grounds. If after 14 days the article(s) have not been collected, the University reserves the right to dispose of it/them.

5. SUSPENSION

Without prejudice to the University's right to terminate this Licence under clause 11.3, where in the reasonable opinion of the University, the Licensee presents a risk to the health and/or safety of other residents and/or students and/or University staff, the University may suspend the Licensee's Licence and right to occupy the Room in which case the University and Licensee will comply with the following:

- 5.1 Upon the University giving to the Licensee no less than 7 working days' notice (save in emergency) to suspend occupation of the Room the Licensee shall vacate the Room and accommodation in the Hall of Residence until such time as any disciplinary proceedings under the General Regulations and/or criminal proceedings (including investigations) against the Licensee are concluded;
- 5.2 The obligation on the Licensee to pay the Licence Fee continues during the period of suspension and the Licensee is also responsible for payment of any accommodation fees incurred by the Licensee and which are owed to a third party;
- 5.3 If charges have been laid before the Licensee and the Licensee is found not guilty of those charges laid in accordance with the University's student discipline procedure in the General Regulations, the University shall reimburse the proportion of Licence Fee paid by the Licensee during the period of suspension;
- 5.4 If the Licensee is found guilty there will be no refund of any proportionate part of the Licence Fee;

- 5.5 The Licensee may appeal against the suspension of the right to occupy the Room in accordance with the procedure laid down in the student disciplinary procedure in the General Regulations³;
- 5.6 When the proceedings are concluded, the University will either lift the suspension if the Licensee is found not guilty or subsequently found not guilty on appeal or, terminate this Licence in accordance with clause 11.3 if the Licensee is found guilty or, if guilty the Licensee does not lodge an appeal within 10 days of the funding; and
- 5.7 Nothing in this clause 5 shall prejudice the Licensee's statutory right to protection from eviction and the University will be required to obtain a court order to evict the Licensee where he/she refuses to vacate the Room.

6. THE DAMAGE DEPOSIT

6.1 The University will refund the Damage Deposit to the Licensee:

- 6.1.1 If, prior to the start of the Residential Year and/or before the Licensee enrolls with the University, the Licensee for whatever reason cancels their acceptance of a place in the Hall of Residence by notifying the University in writing and emailing a copy to the University Staff at accommodation@dmu.ac.uk; or
- 6.1.2 Where the Licensee for whatever reason fails to take up occupation of the Room at the start of the Residential Year as identified in the Confirmed Room Booking Email unless the Licensee has notified the University in writing that they will take up occupation after this date and this has been agreed by the University.

6.2 Except as provided in the clauses above, the Damage Deposit shall be held by the University during the Residential Year as security for performance of the Licensee's obligations and against damages to the Room and/or Common Areas and/or damage to the University's property within the Hall of Residence caused by the Licensee, their guests or otherwise by the Licensee's breach of this Licence.

6.3 The Licensee will not receive interest on the Damage Deposit.

6.4 The University has the right to deduct from the Damage Deposit all outstanding sums due under this Licence including the Licence Fee. The University shall inform the Licensee when a deduction is made.

6.5 Where at least half of the Damage Deposit has been used in accordance with this clause 6 the University has the right to invoice the Licensee a further amount to replace the amount used and the Licensee is to pay the invoice in accordance with the University's standard payment terms.

Subject to the right of the University to deduct any outstanding amounts payable under this Licence, the Damage Deposit will be repaid to the Licensee as soon as reasonably practicable following the end of the Residential Year or as otherwise notified by the University.

- 7.8 The Licensee (or the University at the request of the Licensee) may find a replacement Licensee (who is not already occupying a University residence place), acceptable to the University who will assume responsibility for the pro rata balance of the Licence Fee. The University will then as soon as reasonably practicable repay to the Licensee the pro rata balance of the Licence Fee (if any) paid in advance by the Licensee and for which the replacement Licensee becomes responsible.
