

**De Montfort University
Electrical Live Work Permit**

No person shall engage in any work activity on or so near a live conductor that any danger may arise unless:

- a) It is unreasonable in all circumstances for it to be dead.
- b) It is reasonable in all the circumstances for them to be at work on or near it while it is live and
- c) Suitable precautions are taken to prevent injury.

Within DMU live working can only be authorised by the Dean, Head of Support Department or other senior member of staff named on the Statement of Safety Organisation.

The need for the conductor to be live:	The need to be near uninsulated conductors.
--	---
