Dear Vice-Chancellor,

The Duke of Edinburgh has asked me to write and thank you for the wonderful hologram of His Royal Highness driving his ponies, which was presented to Prince Philip during his recent visit to De Montfort University.

Prince Philip was most impressed by the work of Professor Martin Richardson and the hologram will certainly serve as a reminder of a very enjoyable and interesting visit to the University.

The Duke of Edinburgh sends his best wishes to all at the University.

Yours sincerely,

Archie Miller-Bakewell
