

Athens is Changing

Summer 2011 sees a move to a Single Sign-On for access to the Library's electronic resources.

- ☐ To access Athens go to [DMU Staff Portal](#) and enter your login details. These are the same details as for Blackboard, MyDMU, and University email.
- ☐ The Library Website will include new links to high quality resources in alphabetical order.
- ☐ To access resources through Athens select 'De Montfort University' from the list under 'Organisations that use Athens Access Management.'
- ☐ You only need to do this once for each computer that you use if you accept a 'cookie'.
- ☐ To change your password visit [Password Self-Service](#)
- ☐ Digimap and some other websites will require you to re-register to update your details with them.
- ☐ 'Old' Athens accounts will continue to work for a while but they will eventually expire.
- ☐ If you have an account on Blackboard, as a member of staff or as a student, you will be able to use this Single Sign-On service.
- ☐ If you require help contact the Library's Just Ask! Service by email: justask@dmu.ac.uk or phone (0116) 257 7042
