

Programme-specific regulations

Faculty of Business and Law

Welcome to the programme-specific regulations for the Faculty of Business and Law. These are additional requirements, normally in place to address requirements outlined by a Professional, Statutory and Regulatory Body (PSRB). They relate to NEW* level 4 (first year) undergraduate students from September 2022, both on block delivery programmes and on programmes with other delivery patterns. * This includes students who initially enrolled in 2021/22 and are repeating level 4 in 2022/23. Please refer to the [academic regulations](#) for further details.

Please note, there is a separate set of programme-specific regulations for taught programmes which apply to postgraduate programmes, and students CONTINUING on to levels 5, 6 and 7 of undergraduate programmes (from September 2022).

For further information please contact your Associate Dean (Academic) in the first instance. Alternatively, please contact Sally Lloyd, Department of Academic Quality, slloyd@dmu.ac.uk.

N60044 BA (Hons) Human Resource Management

Leadership, Management & Marketing Board
The Chartered Institute of Personnel and Development (CIPD)

Passing a module and compensation

In order for students on these programmes to attain The Chartered Institute of Personnel and Development (CIPD) accreditation the following additional regulations are required:

- All assessments must be passed at 40% for undergraduate (UG) courses and all non-dissertation assessments must be passed at 50% for postgraduate (PG) courses. The overall mark for a module with failed assessments will not exceed 39% for UG courses and 49% for PG courses. A student can be reassessed in any failed assessment as per the permitted reassessment attempts within the DMU regulations. Where reassessment is undertaken the module mark will be capped at 40% for UG courses and 50% for PG courses. Note that the dissertation module on an MA programme does not contribute to the CIPD accreditation.
- Compensation is not permitted for UG courses. Note that PG students are not eligible for compensation under DMU regulations.

Students who fail modules due to not passing an assessment, but who would have passed the module or received compensation under DMU only regulations will be offered the opportunity to sacrifice the opportunity to attain CIPD accreditation and be assessed under DMU only regulations. This means that the student will not attain accreditation by CIPD.

If a student fails a module at the final attempt, they will be assessed under the DMU only regulations and will not attain accreditation by CIPD.

If a student reverts to being assessed under DMU only regulations, any module passes or higher module marks that would have been achieved under DMU only regulations will be applied and eligibility for compensation will be considered for UG students.
