

# More than just books

## A collaborative approach to developing library resources and support for DMU Dubai Campus

DMU Dubai opened in October 2021

Jenny Coombs from DMU Library & Learning Service and Dr Sivakumar Rajarathinam, Librarian at DMU Dubai worked collaboratively to develop library services for the Dubai campus

### The Library

General reading hall

Discussion rooms

Quiet study room

Leisure reading area with soft seating and bean bags

32 computer systems and software

### Support

Sessions on specific databases

Programme of in-curriculum Library Literacy

Guides, videos and workshops provided by DMU Library & Learning Services

### Collections

#### Print material

1000+ print books

Print trade magazines

Library Catalogue using KOHA Library Management System

RFID enabled circulation system for quick and easy issue and return of books

#### Electronic content

DMU licences extended where possible to allow access to ebooks and ejournals

DMU Authentication system set up to enable Single Sign On access to e-resources licenced for use

Online Subject Guides created to facilitate access to databases

### Collaboration

Monthly meetings between DMU Leicester and Dubai

Attendance at DMU Library & Learning Services virtual meetings & events

Collaborative creation of [DMU Dubai library webpage](#)

Shadowing teaching sessions

Dual delivery of library inductions

Access to online Open Programme workshops at DMU
