This event addresses the latest developments in consumer protection law and policy at both EU and national levels in a ‘workshop’ atmosphere. It includes critical reflection on developments such as the Consumer Rights Bill 2014 and EU initiatives, for example, on product safety. The issues raised are addressed, inter alia, from comparative, pragmatic and constitutional perspectives. The event is jointly sponsored by De Montfort Law School and Exeter Law School as part of their ongoing cooperation in this field.

Registration & Coffee 10:45-11:10; Welcome: 11:10-11:15
