CATERING

We are proud to work with our award-winning catering partner, Sanjay Foods to provide an impeccable array of menus to suit every occasion.

With a dedicated team of hand-picked chefs from a variety of cultural backgrounds, every cuisine from Punjabi, Gujarati, Muslim (Halal), Bengali and European markets can be catered for.

"The sheer array of cuisine which was put together by your chefs meant that all of our guests, whether from Rajasthan, Mumbai, Dehli, Gujarat, USA and Hong Kong, commented on the superb food and hospitality they experienced."
