

Role Title: Running Activator

Number of Posts: 2

Position: Voluntary, 9 Months

Application Deadline Date: 5th of August 2018

	Duties of the role
Overall purpose of the role	Support the coordinator of the DMUactive programme through the delivery and coordination of the DMUactive Running sessions as part of De Montfort University's recreational sport and fitness programme. Working closely with DMUsport, to continue the growth and development of the DMUactive programme in order to increase the number of staff and students that are engaged in Running at the university.
Main duties and responsibilities	<ul style="list-style-type: none"> ▪ To assist with the organisation and coordination of recreational sporting opportunities for both DMU student and staff members, specifically in relation to running. ▪ To assist with the development and facilitation of the DMUactive programme for DMU student and staff members, by ensuring a smooth and positive delivery of each recreational running session at the university e.g. checking relevant equipment is present, collecting data from participants, answering queries from staff and students about the programme. ▪ To support with organisation, co-ordination and delivery of one off participation events for students and/or staff members, with the main focus on getting inactive people at the university active. ▪ To assist with the collecting of attendance data from each running session/ participation event that occurs as part of the programme. ▪ To assist in marketing and promotion of the running section of the DMUactive programme to both student and staff members of the university. This may be carried out via social media and through attending a variety of university events e.g. Freshers Fair, International Taster Sessions, This Girl Can Campaign. This is by no means an exhaustive list. ▪ To help DMUsport develop new ways of communicating with students in order to gain feedback on programmes and initiatives that the department run so that they can be improved and further enhance the student experience whilst at the university.
