Please note: You must check this tile for personalised advice relating to your module results. Previously you would have been emailed this information by your faculty but you must now check this tile.

In the top half of the screen, you will see the years/levels of study you have completed so far. Click on each line and you will see relevant information appear in the bottom half of the screen.

The 'Grad audit' is an overview of your period of study at DMU and you will see this if you are in your final year.
