Research

Research Registration Codes		
Programme Code	Programme Name	Faculty
ENG505	Production and Manufacturing Engineering	CEM
IESD500	Others in Engineering	CEM
IESD501	Building	CEM
IOC500	IOCT	CEM
SSC502	Journalism	CEM
SSC504	Film Studies	CEM

Note: Those highlighted in red require ATAS clearance if the applicant will be a Tier 4 visa holder, non-EEA or Swiss nationals; it is not applicable for all other Home students.

If a student changes course from a non-ATAS course to an ATAS course, they will need to apply for ATAS clearance before we can change their programme code.
