- Additional supporting documents or application forms may be required for processing; all documents must be in English or accompanied by a certified English translation.
- Any approved scholarship or discount will be distributed equally across the student's tuition instalment payments.
- Students with outstanding financial obligations to the University are not eligible for scholarships or discounts. Unpaid fees from previous years will be deducted from awarded scholarships or discounts before applying the remainder to the current tuition.
- The **10% advance tuition fee payment becomes non-refundable** once an **Unconditional Offer Letter** is issued. Students who hold a **Conditional Offer Letter** must submit all required documents to obtain an Unconditional Offer before the academic year commences. Failure to meet the conditions will result in the cancellation of admission and forfeiture of any awarded scholarships or discounts. In such cases, **all tuition fees paid will be refunded, except for the application fee**, which is strictly **non-refundable**.
- Students awarded scholarships or discounts are expected to maintain high academic performance and personal conduct and may be asked to participate in university promotional activities.
- Scholarships and discounts are **non-transferable**, and cannot be **exchanged for cash**, unless otherwise approved at the sole discretion of DMU Dubai.
- DMU Dubai reserves the right to cancel any award obtained through fraudulent information and may charge the full tuition fee in such cases.
- If a student **withdraws or interrupts** their studies before completing the first year, the award will be pro-rated based on the last date of attendance.
- By accepting a scholarship or discount, students agree to all terms and conditions outlined in this document and must comply with university policies, procedures, and any additional requirements related to the award.
- Scholarships and discounts are subject to **annual budget availability**. DMU Dubai reserves the right to amend, withdraw, or discontinue any scholarship or discount without prior notice.
- All decisions made by DMU Dubai regarding scholarships and discounts are final, with no appeal process.
- Scholarships and discounts are **valid only for study at DMU Dubai** and cannot be transferred to other DMU campuses.
- **Additional terms and conditions** may apply to individual scholarships or discounts and will be communicated as necessary.

SCHOLARSHIP RENEWAL POLICY

- Scholarships are applied to the yearly tuition fee and awarded for the full duration of the programme, with continuation each year requiring a minimum overall academic average of **60%**. This includes **Academic Scholarships, International Scholarships, and Community Engagement Scholarships**.
 - ▶ For **IYZ and PG programmes**, scholarships cover the entire programme duration, while for **UG programmes**, they are applied **yearly** and renewed only if the **60% maintenance requirement** is met.

SCHOLARSHIP ELIGIBILITY AFTER WITHDRAWAL OR LOSS

- Students who lose a scholarship (e.g., Undergraduate Academic Scholarship) due to academic or other reasons are **not eligible** to apply for or be reconsidered for **any other scholarship**, including International Student Scholarship, Sports Scholarship, or Community Engagement Scholarships, in subsequent terms or intakes.
- Exceptions may apply only in cases of **genuine financial hardship**, subject to availability and eligibility.

DEFERRAL AND SCHOLARSHIP POLICY
