Student Visa Processing Guidelines for New Visa

According to United Arab Emirates (UAE) law all international students (except GCC nationals) must have a valid 'Student Residence Visa' for the period of their studies. De Montfort University Dubai provides a 12-month visas for the students enrolled on any of our programme and renewable each year for students studying on an undergraduate programme at the University.

Student Visa (Entry Permit and Student Residence Visa) process will start when the student completes the admissions and financial procedures. This will normally take between 10 - 15 working days, not including any additional time for the application to undergo a security check by UAE government authorities, which may delay the process and is out with the control of the University. An express service is available and will complete the process within 5-7 working days (not including any additional time for security checks). It is recommended that the application is submitted as soon as possible as delays may result in the student not able to enrol for the chosen intake and/or receiving a fine for 'overstay' with regards to the 'Student Entry Permit'.

Procedure

International students who are travelling to UAE must start the 'Student Residences Visa' process 45 days before the travelling date to UAE.

Information

1. Students applying late, may choose to apply for a UAE tourist/visit visa to be in time for start of the programme. However, such students will not be allowed to enroll unless they change their visa status through an in-country visa transfer to a student visa. Students on tourist visa are required to exit the country to change their visa to a university sponsored visa. Students, who have to exit the country to change their visa status to a university visa, must return to Dubai within 3 days. If, for whatever reason, a student visa is not issued to the student, then the student would not be allowed to pursue the programme further. The University cannot be held liable for any such circumstances. Furthermore, students will be liable to pay any tuition/visa/other fees due as per the University policy.
2. Students are advised NOT to send their original passport, by post, to the University. The University will not accept any responsibility for arranging return of documents.
3. Any fines, penalties, additional charges incurred as a result of an error, delay, late submission, loss of documents etc. by the student, will be borne by the student.

An express service is available and will complete the process within 5-7 working days. Failure to do this may result in the University contacting the UAE Government Service Office (GSO) and informing them that you have absconded. Please note that penalties will be applied (see below) in addition, GSO may also apply an 'Immigration Fine'. If 'Absconder' notice is not removed from your record, you will be unable to enter the UAE and other GCC countries in the future
