

FESTIVAL OF TEACHING

November 2019

Call for proposals for workshops, presentations and events

The Festival of Teaching (FOT) is an annual celebration of teaching excellence and pedagogical innovation at DMU. It brings together the very best of DMU's most forward-thinking practitioners of teaching, learning and student support. You can apply to run an event between **23 and 29 March**.

Please submit your ideas for inspiring talks, workshops, debates, exhibitions and performances, music, history, walks, photography, technology, activism or fashion displays.

For the first time we're also inviting external speakers to be part of the festival. We welcome all contributions on subjects and practices that will inspire and engage. We especially welcome contributions which are innovative and participatory.

Thinking of your session/activity

- Think of your best approach to learning and teaching. How will you keep the audience engaged?
- Is your session an activity?
- Could you showcase some impressive equipment or technology that people could use?
- How can you bring your subject alive?
- Can you run your session in the city somewhere?

Creating your activity

- What equipment/props etc. do you need?
- Make something?
- Solve something?
- Hack something?

Please return this form by e-mail including an abstract of no more than 300 words to libadmin@dmu.ac.uk by close of play Monday 13 January.

For further information, please contact either:
