

Job Description

Job title: Lecturer in English for Academic Purposes – Shenyang, China

Faculty/Directorate: Technology, Arts & Culture

Grade: F

Role profile: TAR 2

Full time: (£39.906 per annum pro rata)

17-month Fixed-Term (end 31 August 2027)

	Duties of the role
Overall purpose of the role	<i>To teach English Language and Academic Skills to Chinese students at De Montfort University's Partner University Liaoning University (LNU) in Shenyang, NE China.</i>
Main duties and responsibilities	<ul style="list-style-type: none"> • Prepare and deliver lessons in English for Academic Purposes (EAP), covering the language skills of Reading, Writing, Speaking and Listening, and academic skills such as summarising, doing research and taking part in seminar discussions. • Teach 15-18 hours per week on campus in Shenyang, China. • Work closely with co-tutors and the course leadership team to assess and standardise tests in all language skills. • Mark work, providing feedback, writing reports and conducting tutorials. • Perform any other duties commensurate with the job grade as reasonably required from time to time, including weekly meetings with co-tutors and the course management team. • Treat all DMU and LNU staff, students, contractors and visitors with dignity and respect. • Provide a service that complies with the Equality Act 2010, eliminating unlawful discrimination, advancing equality of opportunity and fostering good relations with particular attention to the protected characteristics of age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief (or none), sex and sexual orientation. <p>All members of staff are responsible for their contribution to improved environmental performance and in reducing greenhouse gas emissions at DMU. It is therefore required that all members of staff are aware of how the Environmental Policy relates to their own role at the University. Staff conduct must reflect the values inherent in the Environmental Policy and where required staff must cooperate with environmental compliance and conformance requirements to help minimise our emissions to air, water and land.</p>
