

## Job Description

**Employer: Innovative Educational Partnerships Limited (IEPL)**

**Job Title: Senior Teaching Fellow (STF) – Cyber Security**

**Location: DMU London**

**Reporting to: Head of Academic**

**Grade 7**

**Full time (37 hours per week), Permanent**

	<b>Duties of the role</b>
<b>Overall purpose of the role</b>	<p>This role encompasses delivering teaching in your area of expertise, undertaking administrative responsibilities, and contributing to the development of programmes of study. The Job Descriptor outlines the specific details of your responsibilities.</p> <p>Academics are expected to take leadership roles in teaching various subject modules, from undertaking programme leadership to leading programme development. You will also mentor and manage junior colleagues, foster collaborative teaching efforts, and contribute to advancing your subject area.</p> <p>You will actively collaborate with colleagues across IEPL and DMU campuses, support corporate/executive education, and engage with local businesses and the professional community.</p>
<b>Role Outline</b>	<p>IEPL is a wholly-owned subsidiary of DMU and is engaged by DMU to provide teaching and support staff for the operation of DMU's new London campus (DMU London). DMU London is part of University's ambitious growth agenda and a campus for teaching excellence, home to many disciplines and subjects, which have a focus on sustainability, digital and employability, and providing students with an excellent choice of postgraduate programmes.</p> <p>Senior Teaching Fellow will deliver first-class teaching and academic developments at DMU London. Employed by IEPL, working as part of the DMU London team, you will play a crucial role in the delivery of academic activities, contributing to our success in one of the world's most dynamic and competitive higher education landscapes.</p> <p>This role is based at DMU London and requires a regular on-campus presence to support teaching delivery, student engagement, and programme leadership.</p>
<b>Main duties and responsibilities</b>	<p><b>Teaching and Curriculum</b></p> <ul style="list-style-type: none"> <li>Lead and deliver postgraduate teaching in Cyber Security and related areas,</li> </ul>

	<b>Duties of the role</b>
	<p>with applied use of AI in security contexts.</p> <ul style="list-style-type: none"> <li>• Act as Module Leader for designated Cyber Security focused modules, and contribute to AI and Data Analytics modules across the digital/ computer science portfolio at DMU London.</li> <li>• Contribute to the ongoing development, review and enhancement of the MSc Cyber Security &amp; AI curriculum.</li> <li>• Design and deliver high-quality, practice-based learning activities aligned with industry and professional standards.</li> <li>• Develop inclusive assessment strategies aligned with postgraduate academic standards.</li> <li>• Embed responsible, ethical, and sustainability perspectives within cyber security teaching.</li> <li>• Maintain links between DMU campuses to enhance professional practice and student opportunities.</li> </ul> <p><b>Academic Leadership</b></p> <ul style="list-style-type: none"> <li>• Undertake programme leadership, validation, review and external examiner engagement in collaboration with the Head of Academic.</li> <li>• Mentor Teaching Fellows through peer support, team teaching, and sharing good practice to support curriculum consistency.</li> <li>• Provide academic leadership through the line management, mentoring, and coordination of Teaching Fellows or associate teaching staff, contributing to a positive, inclusive, and high-performing academic environment.</li> <li>• Contribute to academic quality processes including programme management boards, assessment boards, and academic planning.</li> </ul> <p><b>Student Experience</b></p> <ul style="list-style-type: none"> <li>• Provide academic guidance and pastoral support to postgraduate students.</li> <li>• Supervise MSc projects and applied consultancy-style investigations.</li> <li>• Support induction, engagement, progression and employability development.</li> </ul> <p><b>Engagement and Professional Practice</b></p>

Duties of the role	
	<ul style="list-style-type: none"> <li>• Maintain awareness of current developments in cyber security and AI practice.</li> <li>• Support employer engagement activities, guest speakers, and industry-informed learning.</li> <li>• Contribute to marketing, recruitment and conversion activity for DMU London programmes.</li> <li>• Treat all IEPL and DMU staff, students, contractors and visitors with dignity and respect.</li> </ul>
