

2. Regulation Surrounding the Annual Review Panel

Regulation 12.1:

Progress is subject to annual review by a panel of at least three research active and relevant academics, including re-presentation of the supervisory team and at least one member who is independent of the supervisory team. Feedback shall be part of this process. If a student is transferring or requires an extension at the time that annual review is due then this shall form part of the discussion.

The annual review shall also include consideration of:

- a) the student's progress with the Researcher Development Programme, as informed by the initial Training Needs Analysis (see regulation 4.1);
- b) any necessary change in the Training Needs Analysis consequent on the progress of the project;
- c) where applicable, a review of the student's Personal Development Plan.

All enrolled and/or registered students, excluding MA/MSc by Research, shall undertake the Annual Review Process. This excludes students whose enrolment/registration is interrupted.
