

Tabletting School 2023

De Montfort University, Leicester

Especially designed to address the needs of formulators working in galenical research and development.

Meet various experts from academia, pharma industry, equipment and excipient manufacturers.

Leicester (UK), 15th & 16th June 2023

We create chemistry

Agenda Preview

- *Introduction to the tabletting process and critical parameters*
- *Evaluation of the tablettability/ processability of powder blends*
- *Formulation approaches using Quality by Design (QbD) principles*
- *Employing Design of Experiments (DoE) to optimise processes*
- *Modern formulation development based on compaction simulation*
- *Scale-up of tabletting processes*
- *Utilising the benefits of continuous manufacturing*

The registration fee is 490 GBP (incl. VAT), catering during the day and dinner on 15th June 2023.

For registration or more details, please contact hlsrco@dmu.ac.uk
