

Waterway Gardens Parking

Students staying in Waterway Gardens have the opportunity to apply for a resident's parking permit. There are only a limited number available (15 in total) and as such they are granted on a first come first served basis.

In order to express your interest in obtaining a parking permit you must:

1. Make a room booking at Waterway Gardens, including the booking payment
2. Email halls@dmu.ac.uk to be placed on the list

At the beginning of September, the first 15 students on the list with a valid room booking will be sent a further email with instructions on how to apply for the permit.

The email will contain a signed letter from the Hall Manager supporting your application. You will need to complete an online application on the City Council's website (the link will be contained in the email), submit the letter with the application and make a payment online*.

You will also need to change your car insurance details accordingly.

You must confirm to the Hall Manager when you have received your permit using the email address above.

We will monitor the number of permits that have been issued and advise any students still on the list if a permit becomes available.

*the charge is set and administered by Leicester City Council. The current charge (as at Feb 2019 is £25 however this is subject to change)
