

**The De Montfort University
Undergraduate
Student Contract**

These terms and conditions take effect when you accept an Offer to study from De Montfort University. Please read them through carefully before you accept your offer.

It is important that you read through this entire document because by accepting your Offer, you are accepting the terms and conditions set out in this Contract and any documents referred to in this Contract.

We would like to draw to your attention to certain clauses in this Contract. Please note, by us drawing such clauses to your attention it does not lessen the importance of all other clauses in this Contract and you should make sure you are aware of all obligations under this Contract.

We draw your attention specifically to the following clauses:

- **Your right to cancel the Contract: clause 3.**

Clause 3 sets out what you need to do to cancel the Contract. The way in which you can cancel the Contract, and the Tuition Fees and any other Charges to which you might be liable to pay, depends on when you wish to cancel.

- **How you and the university can terminate the Contract: clause 10.**

Clause 10.1 sets out the circumstances when the university may terminate the Contract against you. Clause 10.2 sets out how you can terminate the Contract or suspend your studies.

- **Other terms (contained in other documents) that you will be subject to: clause 4.**

Clause 4 sets out the documents that make up the Contract between you and the university. They are as follows: -

- This document;
- Your Offer letter;
- The university's General Regulations and Procedures Affecting Students;
- The university's Tuition Fees Policy;
- The university's Data Protection Policy;
- The university's Admissions Policy;
- The Student Charter; and
- The Student's Complaints Procedure.

- **What the university is not responsible to you for: Clause 23.**

Clause 23 sets out what it is and is not responsible to you for – you should read clause 23 carefully.

The university will not be liable to you for our failure or inability to meet our obligations under the Contract as a consequence of events outside our reasonable control. For example, if there is industrial action or political unrest which means that the university cannot deliver the services to you, the university will not be liable to you for any loss that you may experience as a result.

The university will not be responsible to you for other circumstances including damage of personal items belonging to you e.g. your computer equipment or mobile devices, damage to or theft of motor vehicles or bicycles, or loss of work submitted for assessment (you should keep a copy of work that you submit for assessment).

- **Tuition Fees: clause 5.**

Clause 5 sets out your obligations to pay your Tuition Fees and what action the university can take if you do not pay your Tuition Fees (in whole or in part). If your Tuition Fees are being paid by a third party (which includes the Student Loan Company), you will be liable for your Tuition Fees if that third party does not pay.

- **Disclosure of criminal convictions.**

The university requires you to declare relevant criminal convictions as part of the application stage (if your Programme is a regulated Programme) or as soon as possible after you have accepted your Offer, and at the very latest at Registration – the sooner you complete this declaration, the better, especially if you have a relevant conviction that you need to declare.

Failure to be honest about your criminal conviction history or if there is a delay in you completing the declaration, could mean that there will be a delay in you being able to start your studies and attend taught sessions and tutorials. The onus will be on you to catch-up on any taught sessions and tutorials that you miss as a result. Failure to be honest about your criminal conviction history or if there is a delay in you completing the declaration could also mean that you have to defer your studies to the following academic year.

- **Deposits: clause 6, and Immigration and Visas: clause 13.**

Clauses 6 and 13 are particularly relevant to International Students.

International Students are required to pay a Deposit (the particulars of which are more defined in the university's Tuition Policy at [Tuition Fee Payment Policies and Discounts](#)).

There are certain circumstances when the university can retain £1,000 from your

Deposit (which are set out at clause 6.4).

- **Other charges: clause 8.**

Clause 8 details what action could be taken against you if you fail to pay other Charges i.e. those not directly related to your Tuition Fees, such as fines for overdue library books.

You may not be able to attend your graduation ceremony if you owe in excess of £50 in Charges at the end of your Programme.

If you owe Charges to the university and the university refers the Charge to a debt collection agency, you could be liable for an additional 10% of the Charges that are outstanding and your use of certain university facilities could be suspended.

- **Disabilities: Clause 12.3.**

Clause 12.3 sets out the support that the university may be able to offer you if you have a disability or think that you may have a disability.

- **Your attendance: clause 12.2.**

Your participation in and attendance at taught sessions and tutorials (whether that be face-to-face taught sessions and tutorials or online taught sessions and tutorials) is monitored by the university. Pursuant to the Student Monitoring Policy (a copy of which is contained in the General Regulations and Procedures Affecting Students), you are expected to participate in and attend all taught sessions and tutorials. If your attendance or presence online falls below what the university expects, or if you are found to have falsified your attendance, this could result in disciplinary action being taken against and result in your suspension or exclusion from your Programme and the university.

- **Your obligations: Clause 12.**

Your obligations, as the Student, are set out at clause 12 and you should familiarise yourself with what is expected of you. Failure by you to meet your obligations under the Contract and what the university expects of you could result in you being suspended or excluded from the university.

12.1.b Please note that failure to comply with these regulations may result in formal disciplinary procedures being taken against you which could ultimately lead to an Interruption of your studies, suspension or expulsion or any other such reasonable action that the university may determine.

12.2 Academic Progression

12.2.a You are expected to attend and participate in all face-to-face and/or online taught sessions and tutorials. Failure to do so may result in you being suspended or excluded from the university and for International Students may also result in the United Kingdom Visas and Immigration (UKVI) curtailing your visa as per their regulations.

12.2.b You are expected to pass your Modules in order to progress in your studies and achieve your intended award. Your registration with the university will be ended if you fail one or more modules and have used all your reassessment opportunities but are still unable to progress or achieve an award. You should, in all cases, check the latest regulations applicable to your registration.

12.2.c You are required to submit work and similar in your own words and to appropriately reference sourced materials and undertake any other form of assessment without recourse to external assessment services. An example of an external assessment service could include a third party who you may or may not pay to substantially amend and/or improve your work.

12.2.d Chapter 4 of the General Regulations and Procedures Affecting Students sets out full details of what we consider bad academic practice and academic offences. These types of practice and these offences will result in formal action being taken by the university, the precise nature of which will depend on the particular offence.

12.3 Disabilities

12.3.1 Students with any condition or physical or mental health need which may affect their studies, for example physical difficulties or hidden difficulties, are encouraged to tell the university as soon as possible. This is so that we can take appropriate measures to help support you in your studies at DMU, and ensure that these measures are in place as early as possible in your period of study.

12.3.2 You may not have sought or had support whilst in secondary education in relation to a condition or physical or mental health need which may affect your studies. We strongly recommend you contact our disability officers for advice in relation to the support that we could provide to you and/or signposting you to support from external bodies. We recommend you contact our disability officers/wellbeing team for advice even if you are unsure about whether you would be eligible for support of this kind – details can be found at [Disability Team support](#) or [Wellbeing Team support](#).

12.4 Fitness to Practice and Other Conditions

12.4.1 You agree to tell us in writing as soon as possible about any changes to your professional body status. Examples include a change which could affect your DBS certificate or fitness to practice or any other changes which might affect your progress on your Programme. 12.5 Criminal convictions

12.5.1 All criminal convictions must be reported to the university, either as part of the application stage, registration or re-registration or directly to the Head of Security at security@dmu.ac.uk if you are already registered. 13.1 You must ensure that you have the correct visa throughout your Programme and comply with any conditions that attach to your visa. If you fail to comply with your visa conditions DMU may have to report you to the UK immigration authorities to comply with immigration law.

13.2 Once you have an unconditional Offer from DMU and you have paid your tuition fee deposit, we will commence our processes to issue you a Confirmation of Acceptance for Studies (CAS). You may be asked to provide information to support the process, and we may refuse to issue you with a CAS if you are unable to demonstrate that you meet the requirements for a student visa as set out by UKVI. Information about immigration can be found at [Visa Advice](#).

14. Contracts in relation to professional or industrial experience projects with third parties

14.1 Some Programmes may necessitate that you have to agree to the terms and conditions of third parties, such as (but not limited to) a sponsor or funder, placement provider, professional bodies, accrediting bodies or relevant third party providers.

14.2 If you do not agree to such terms and conditions, this may affect our ability to meet our obligations to you and your ability to progress on your Programme.

15. Studying at Partner Institutions

15.1 If you are studying for your Programme at a Partner Institution:

15.1.a you will be subject to their regulations and conditions including their disciplinary obligations/regulations, as well as the terms and conditions in this Contract. The Partner Institution's regulations and conditions and those of DMU should be similar. Should a specific policy, regulation or condition not be covered by the Partner Institution, DMU's policy, regulation or condition will apply – the Partner Institution will inform you of this as the case may be.

15.1.b Any complaint made by you in connection with your Programme(s),

Module(s) and/or Credit(s) and matters of conduct shall be dealt with by the Partner Institution in consultation with the university and by reference to the university's General Regulations and Procedures Affecting Students.

16.2 The university may need to make changes to the provision of your Programme such as changes to all or part of its content, the method of delivery including how you are taught, the place or time of delivery. The university will use reasonable endeavours to avoid this but in certain circumstances we may need to do so as set out below.

16.3 When we may/will need to make changes.

Certain events or circumstances will trigger a need for us to make changes. These triggers include:

16.3.a to keep our Programmes, how we assess them and how we deliver them to you up to date, relevant and in line with current best academic practice and standards;

16.3.b changes in professional body conditions;

16.3.o Health and safety matters e.g. outbreak of a communicable disease.

16.4 How we will make such changes

16.4.a If any of these circumstances happen and we propose to make a change, the university will, where reasonable, consult with you.

16.4.b If the changes are what the university deem major changes then the university, where reasonable, will seek your agreement before making them. Major changes include, but are not limited to:

16.4.b.i changing the Programme award title;

16.4.b.ii changes to core modules (removal or addition);
